

FRAMES

Colors

This zip file contains the frames in black and white. Be sure you use the correct file type for the project you are working on.

Color Versions

- **K:** Black
- **W:** White

File Types

This zip file contains the frames in two file types: EPS and PNG. Be sure to use the appropriate file type for the project you are creating.

EPS Files

- **Used in:** Adobe Creative Suite including InDesign, Illustrator and Photoshop, and printed projects
- Vector-based file
- Scales up and down easily and without losing quality

PNG Files

- **Used in:** Microsoft Office Suite, and web and digital projects
- Pixel-based file with a transparent background
- Only scale down; can't scale up without losing image quality

Sunburst Frame Versions

The sunburst frame is provided in two versions and each has multiple proportion ratios. Be sure to use the best version that fits your needs.

Base Version

- Fewer rays than the double version
- Usually works better on photos than the double version

Double Version

- Double the amount of rays as the base version
- Usually works better on solid backgrounds
